3. ....  
.....

**Our roles are:**

**Researcher**

Asking questions, collecting information and data that will help us make or improve decisions

**Planner**

Making sure we stay on track, manage our time and can achieve our goals

**Designer/Maker**

Helping to decide the 'how?' 'where?' and 'why?' to solve a problem, putting ideas into action and visualising an outcome

**Motivator**

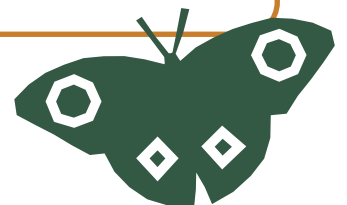

Encouraging teamwork and collaboration, getting others involved and keeping up positivity

**Communicator**

Raising awareness and telling others about our work, feeding back and presenting ideas or findings to the rest of the group

**Monitor**

Evaluating the outcome of our actions, and checking that they are meeting our goals, or if things need to change

**We need to find out:**
