

5

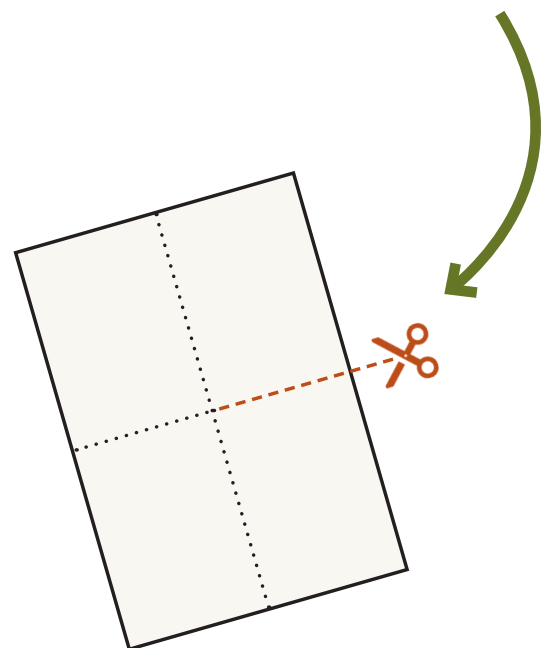

Fold up again, making 4 sections with the cut-out segment at the top

6

4

Fold in half and cut along the dotted line across the middle

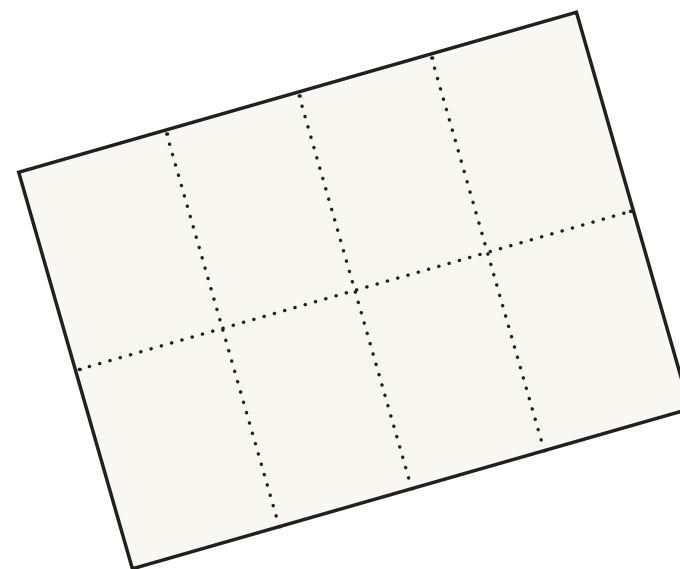

Press along the creases to create your 8 page zine

7

3

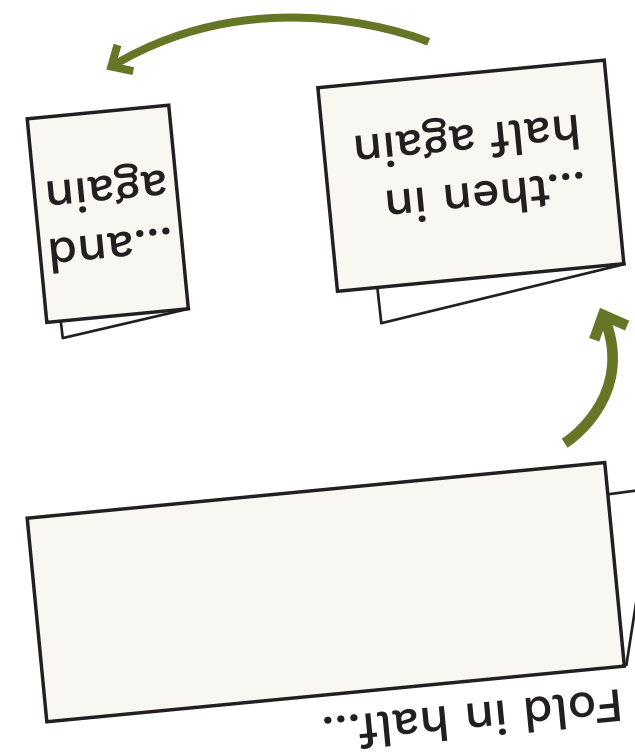

Unfold - you will have 8 sections visible, these are your pages

Back cover

8

2

Use this template to make a zine!

This will be the front cover
