

Hidden Nature Challenge

1 What have you found? (circle 1)

A plant in an unexpected place

How do you think this plant got here?

A place without nature

How could you change this space for nature?

A repeated pattern in nature

Did this pattern remind you of anything?

The smallest sign of nature

What was this a sign of?

Something new to me

How did you find this new thing?

2 Choose one of your senses to get to know what you have found. You could:

Look closely

Smell it

Touch it (if it's safe!)

Listen to it

3 How do you feel after this activity? (circle 1)
